

Spilfyter® Wiper^{GT} Series

All Purpose and On Target: The Wiper^{GT} Series from Spilfyter blends strength, absorbency and durability to give your operation a new workhorse for tackling everyday challenges.

Offering three quality levels for a variety of wiping applications, *GT Series* wipers are a tough, clean and dependable alternative to shop rags.

GT Series wipers are created using a hydro-entanglement process that weaves absorbent cellulose fibers with polypropylene for additional strength.

Engineered to be your new “*Go To*” wiper, the *GT Series* will withstand harsh chemicals and extended scrubbing as well as offering superior low linting and wipe dry properties.

General Duty

- Everyday wiping and cleaning
- Low lint

Heavy Duty

- Extra Strength
- Highly Absorbent

Industrial Grade

- Demanding Applications
- Maximum Strength & Durability
