

Your All Purpose “Go To” Wiper

The Wiper^{GT} Series from Spilfyter blends strength, absorbency and durability to give your operation a new workhorse for tackling everyday challenges.

Available in two constructions — spunlace and hydrospun, GT Series wipers are a tough, clean and dependable alternative to shop rags.

Engineered to be your new “Go To” wiper, the low-linting GT Series withstands harsh chemicals and extended scrubbing while absorbing both oil and water-based fluids.

Questions? We’re here to help!
