

Utility Tray - 24" x 48" I.D.

Features:

- Keep messy drips and spills off warehouse and factory floors.
- Heavy-duty polyethylene construction - will not rust or corrode.
- Ribbed bottom keeps cans, pails and other containers elevated above any spills or leaks.
- Use for storage / spill containment for leaky machine parts or equipment.
- Place under trucks or other large vehicles to capture leaks / spill from engines, hydraulics, or other lubricated parts.
- Nestable for easy storage when not in use.
- Available in six sizes for a variety of spill containment and maintenance applications.
- Protected by the industry's strongest warranty- Five (5) years against any material or workmanship defects.
