

Spillyter Grab & Go® Acid Neutralizing Powder Bucket Spill Kit

Features:

- Grab & Go® Spill Kits are packed in a 5 gallon plastic bucket for easy portability and disposal of spill clean-up materials.
- Available in Dry or Liquid Acid Formulas.

The test paper that makes up the classifier strips (included in this kit) has a shelf life. FyterTech ensures that all classifier strips ship with at least one year of shelf life (or longer). Each package is labeled with a storage recommendation, lot number and expiration date (shown below).

Please note: While the buckets, drums and overpacks used in our spill kits have some level of UV resistance, if you are using them outdoors we recommend storing them under cover or in an enclosure.

Kit Contents:

- (3) 3"x4' Hazmat Socks
- (10) 12"x12" Hazmat Pads
- (10#) KOLOR-SAFE® Dry Acid Neutralizer (440010)
- (2) Chemical Classifier Strips (570010)

- (1) Chemical Classifier Chart (577777)
- (1) Scoop w/Detachable Scraper
- (1 pr.) Nitrile Gloves
