

Spilfyter Formaldehyde Solidifying Powder - 32oz Shaker Bottle

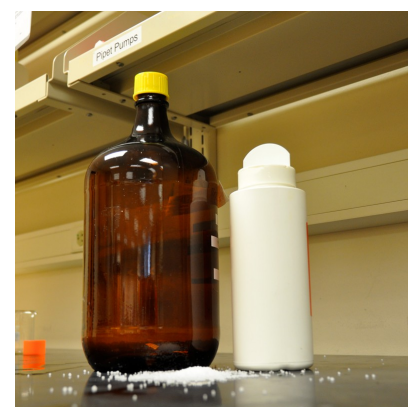

Features:

- Formaldehyde Solidifier is ideal for quick response in spill prone areas.
- Suppresses the vapor as well as solidifies the Formaldehyde for easier disposal.

Important Expiration Information:

- The solidifying powder has shelf life of 3 years in its original sealed package (unused) and shelf life of 1 year after it has been opened if it has been kept under the recommended storage conditions. Recommended storage: store so the container cannot be exposed to extreme temperatures or moisture.
- The lot code on the label or box is based on the year and days in a year (Julian Date)
- *For example "21032" represents the 32nd day of 2021 or February 1, 2021*
